How To Stop Worrying About Others And Focus On Yourself #1 Focus on what matters. Focusing on what really matters allows you to think more about the bigger picture. Doing this will make you think less about your individual role which will allow you to stop paying attention on what other people are thinking of you.

How To Stop Worrying About Others And Focus On Yourself

So worrying, to some extent, is a natural part of life — we worry about paying a bill, or how a first date might turn out, or if the weather might ruin a planned BBQ. But it's when the “what ifs” are persistent and run rampant — attaching themselves to every possible outcome — that worry becomes a chronic source of anxiety, leading to insomnia, headaches, stomach problems , and more.
