### **Partial Suspension Hanging Guide**

Guide to partially suspended hanging: Warning: Don't try this method unless you're totally sure that: a) you want to kill yourself b) that you won't be found for at least 30 minutes after you attempt.

### **[METHODS] Partial hanging suspension**

Short drop/suspension hanging achieves death by cutting off the oxygen supply to the brain and body (asphyxiation) and/or the compression of the arteries (carotid and vertebral) and veins (jugular) in the neck. It requires little or no drop, as death is achieved simply by constriction of the trachea and/or the blood vessels.
