### Gary Dorrien - Wikipedia

In this first of three volumes, Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider, longer-running tradition than has been thought. The tradition took shape in the nineteenth century, motivated by a desire to map a modernist "third way" between orthodoxy and rationalistic deism/atheism.

Arguing that the indigenous roots of American liberal theology existed before the rise of Darwinism, Dorrien maintains that this tradition took shape in the nineteenth century and was motivated by a desire to map a progressive "third way" between authority-based orthodoxies and atheistic rationalism.

### The Making Of American Liberal Theology: Imagining ...

The Making of American Liberal Theology: Idealism, Realism, and Modernity 1900-1950. In this book, the second of his three-volume history, Gary Dorrien explores American theological liberalism in its heyday--at the advent of the research university and the institutionally identified school. He argues that in its prime theological liberalism effected a creative blending of theological schools, featured a tension between its evangelical and modernist impulse.
