The Student EQ Edge explores what defines emotional intelligence (EI), why it is different from one's intelligence quotient, research related to EI and outcomes, and how, for students, developing one's emotional intelligence can give them the insight and skills to achieve academic and personal success. Grounded in the classic work of Dr. Reuven Bar-On, the

The Student EQ Edge: Emotional Intelligence and Your ...

The main reason young people don't succeed in school or the working world isn't necessarily a lack of

Access Free The Student Eq Edge

intelligence in the academic sense, but often because of a lack of emotional intelligence - realizing what they and others are feeling, managing their emotions (particularly impulse control and stress), and managing their time (which does fall, in a way, under impulse control or self-discipline).
